

## Option 1 & 2- Clerical re-checks, Reviews of Marking and Appeals

### Candidate consent form

#### Information for candidates

The following information explains what may happen if you request a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits a request on your behalf, for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade **may** be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade **may** be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you must sign the form below.
