

16-19 BURSARY FUND

About Tonbridge Grammar School 16-19 Bursary Fund

Tonbridge Grammar School receives funding from the ESFA to administer the 16-19 Bursary Fund. The funding will be targeted to students who are facing a financial barrier to participation in the complete education experience at Tonbridge Grammar School. The funding award can be used to fund transport to school, trips, books, suitable clothing, equipment, and school provided meals. Evidence of these costs will be necessary to apply for the funding.

There are three types of bursaries available:

1. Vulnerable Bursary

Young people in care, care leavers, young people in receipt of Income Support and young people who are in receipt of both Disability Living Allowance *or* Personal Independence Payments and Employment Support Allowance are eligible to receive up to £1,200 per annum. Written evidence of such status must be provided to confirm eligibility. The School will, on receipt of the necessary evidence, complete a 'Vulnerable Bursary' claim form.

Complete Section 1 in Part 4 of the Application Form.

2. Sixth Form Promise

Designed to support young people who face the greatest financial barriers to participation in the full TGS Sixth Form Experience. A full support package is available to students who were in receipt of the Pupil Premium Grant in Year 11 and/or they are in receipt of free school meals in the sixth form. Students can apply for all items listed in Part 5 of the Application Form.

Complete Section 2 and if applicable Section 3 in Part 4 of the Application Form. Indicate the specific items requested in Part 5.

3. Discretionary Bursaries

Designed to support students who are in financial need but were not in receipt of the Pupil Premium Grant in Year 11 or do not qualify for free school Meals in the sixth form. Students must be aged 16 and under 19 on the 31st August before the academic year in which they start their programme of study. If they turn 19 during the academic year, they will continue to be eligible until their programme of study ends or the end of the academic year, whichever is the sooner.

The student must satisfy the residency criteria. We can check this for you. Detail of how to claim can be found via this link <https://www.gov.uk/1619-bursary-fund>

In order to target the students in greatest need, the school has set out the following financial evidence to assess the Discretionary Bursary:

- a) Gross Household Income less than £30000 per year*
- b) Tax Credits
- c) Income Support
- d) Disability Allowance
- e) Job Seekers Allowance
- f) Guaranteed Pension Credits
- g) Free School Meals entitlement / other financial circumstances

* The "household income" will include all adults living within the dwelling and must be the legal address for the student held on the school's records. Where circumstances change it is the responsibility of the student/parent/carer to advise the school. In some circumstances eligibility for the award may be withdrawn.

The Discretionary Bursary is for specific educational purposes (see items in Part 5 of the Application Form).

Complete Section 3 in Part 4 of the Application Form and indicate the specific items requested in Part 5.

What the Bursary Fund can support

The DfE Guidance on the use of Bursary Fund states that is intended to help with transport, books and equipment, field trips and other course-related costs, work placements and university interviews/open days at the school's discretion.

The Bursary Fund is not intended to

- provide learning support – services that schools give to students – for example, counselling, mentoring or extra tutoring
- support extra-curricular activities where these are not essential to the students' study programme
- support general household incomes

The Bursary Fund supports the TGS Sixth Form Promise which is designed to support those young people who face the greatest financial barriers to participation in the full International Baccalaureate Diploma Programme (IBDP) and TGS Sixth Form experience. The Promise provides:

- Support towards the cost of travel to school (equivalent to the cost of the Kent Young Person's Travel Pass).
- A grant towards the cost of clothes required by the TGS Sixth Form dress code.
- Increased individual access to IT through the provision of a laptop.
- Essential equipment for lessons - e.g. text books, revision guides, a calculator, folders and stationery, a diary and a lab coat.
- Free music tuition and loan of an instrument
- Free trips forming a part of the IBDP curriculum e.g. field trips
- A contribution towards one international trip.
- Free access to individual advice and guidance in relation to career planning.
- Support towards the cost of Higher Education visits and interviews

Thanks to further support from the school's Debney Fund, eligible students also qualify for a contribution of £500 towards university or apprenticeship set-up costs when their final pathway and destination is confirmed.

Schools must manage the number and size of discretionary bursary awards to keep within their budget. Therefore, the value for each part of the promise may vary from year to year depending on the number of eligible students requesting support. We aim to retain a small emergency fund from our bursary allocation to support students who face exceptional circumstances during the year due to a change in their situation, if it impacts on their ability to participate in education.

Application Process

Applications are welcomed from the summer of the preceding academic year. Initial applications for the bursary should be submitted by the end of September. This is so an assessment can be made of the overall level of demand holistically and discretionary awards can be made on a fair basis. However, a student's circumstances and needs may change later in the year, so there is no absolute cut-off point for applications and further requests for support can be made throughout the year.

You will be informed if your application has been successful and the amount of the bursary as soon as possible so that funding can be made available.

Payment of and value of Award.

Normally payment will be made in-kind e.g. bus pass, meals and other school activities. In other circumstances e.g. purchase of a train pass – payment will be made into the student's bank account except where, with evidence, another person has made the purchase. The School will award students whatever they feel is required to ease the financial barriers to learning, within the limitations of the funding provided by the ESFA. Students will be assessed individually and offered a bursary based on their financial need.

All claims made and evidence provided will be retained in case of audit by government officials and will be kept locked in a secure and confidential area within the school. Access to this information will be strictly limited to the Awarding Panel (which is comprised of the Head of Sixth Form, the Pupil Premium Coordinator and the Deputy Head Teacher) and ESFA Officials.

In Year Changes to circumstances

Where a student is aware that either they are claiming the bursary and his/her financial situation has changed such that they are no longer eligible, they must notify the school Finance Manager in writing, stating details, as soon as they are aware of this fact. If evidence arrives at the school to suggest circumstances have changed the school reserves the right to enquire about this and can request further evidence from the household occupants to support the claim. Where this is unreasonably withheld or confirms ineligibility, the bursary payments will cease with immediate effect.

Where a student falls into financial hardship and believes they are now eligible for the bursary, an application can be made by completing the application form and again providing all the necessary evidence. The forms will be reviewed as soon as possible. The value of the award may be pro-rata for the year. The award cannot be back dated beyond the current academic year.

Appeals Process

If a student is unhappy with the assessment of eligibility, or the withholding of payment due to poor attendance or behaviour, an appeal can be made in writing to the Head Teacher. All appeals will be reviewed and responded to within 10 working days of receipt of appeal request. The value of the award given cannot be challenged.

Annual Review of Policy

The Bursary is for *one* academic year and a new application is required for further years.

The policy will be reviewed annually or when required if guidelines change at ESFA or equivalent.
