GRAMMAR SCHOOL**

Thank you for Supporting Tonbridge Grammar School Summer 2023

Together we can. Together we do.

Rebecca Crean Head Teacher: I know I have joined a deeply committed and strong community. A positive and inclusive learning environment where students feel safe, valued and supported. My heartfelt responsibility is to build on this sense of belonging, fostering a love of learning. I will not manage this alone. Together we can! Together we do.

Together, we can enrich learning every single day, for a lifetime.

School News publishes lots of examples of alumni, parents and carers, students, and friends of TGS giving time, expertise, and celebrating the life of Tonbridge Grammar School.

Isabelle. I took part in the practicethon because our school desperately needs to refurbish the pianos. I am very happy that other students at the school can enjoy making music as much as I do. What I have learnt is that I definitely can, and will practice for longer than I would've done before!

Eleanor. I took part in the Practicethon so that I had contributed to the school pianos. It was useful because I had a singing exam very soon after it and it was a set length of time, so it felt more achievable.
