

Summary of Examination Performance

TGS remains one of the most academically successful schools in the country and a leading school for the International Baccalaureate Diploma Programme. The average total points score for the School's IB Diploma results reflects the exceptional performance of our students and is consistently between 36 and 37 points each year. Globally, the total points score awarded each year is between 29 and 30 points, with UK averages consistently between 34 and 35 points.

The exceptional circumstances this year necessitated a process whereby the International Baccalaureate marked independent assessments completed by every student in every subject alongside teachers' evidence-based predictions to award grades. Theory of Knowledge and the Extended Essay were unaffected by the cancellation of examinations and were completed and assessed in the usual way to award Core Points; the average awarded Core Points of 2.29 (out of a maximum of 3) showed an improvement on previous years. The grades awarded by this rigorous, externally verified process were outstanding. Seven students achieved the maximum score of 45 points in the IB Diploma. Eleven students achieved 44 points with 72 students (53%) achieving a score of 40 or better and 68% of our students achieving 38 or above. Our average Diploma point score was 39. The IB Statistical Bulletin to be published at the end of September will provide comparative Worldwide data. 77% of individual subject grades were at a grade 7 or 6 with the average grade being 6.12.

GCSE grades were awarded this year based upon stringent processes directed by OFQUAL and the Department for Education. The School provided Teacher Assessed Grades based upon rigorous evidence collected by teachers and in line with OFQUAL/DfE requirements and our Year 11 students celebrated excellent GCSE outcomes this year. 32% of our GCSE entries were awarded a grade 9. 61% of pupils gained 10 or more 9-7 grades with 97% achieving 5 or more GCSEs at these top grades. Overall, 69% of all GCSE results were at grade 9/8 and 91% at 9/8/7 with the average points per entry of 7.89.
