

Summary of Examination Performance

TGS remains one of the most academically successful schools in the country and a leading school for the International Baccalaureate Diploma Programme. The average total points score for the School reflects the exceptional performance of our students and is consistently between 36 and 37 points each year. Globally, the total points score awarded each year is between 29 and 30 points, with UK averages consistently between 34 and 35 points.

The exceptional circumstances this year necessitated a process for awarding IB grades based upon a rigorous analysis including Internal Assessments, evidence-based school predictions and historical data. One student achieved the maximum score of 45 points in the IB Diploma. Six students achieved 44 points with 53 students (41%) achieving a score of 40 or better and 66% of our students achieving 38 or above. Our average Diploma point score was 38.08. The IB Statistical Bulletin to be published will provide comparative Worldwide data. 74% of individual subject grades were at a grade 7 or 6 with the average grade being 6.02.

GCSE grades were awarded this year based upon stringent processes directed by OFQUAL and the Department for Education. The School provided Centre Assessed Grades based upon rigorous evidence collected by teachers and in line with OFQUAL/DfE requirements. Our Year 11 students celebrated excellent GCSE outcomes this year, achieving at least the grades they deserved and reflecting two years of outstanding work. The results for our students were exceptionally strong. 33.3% of our GCSE entries were awarded a grade 9. 57.6% of pupils gained 10 or more 9-7 grades with 88.7% achieving 5 or more GCSEs at these top grades. Overall, 61% of all GCSE results were at grade 9/8 and 85% at 9/8/7 with the average points per entry of 7.77.
